

Unité 2016 Student Conference

27 November - 01 December

Employability Skills and Cultural Awareness

The Unité Conference is an event that has been held annually since 1997. It was created and designed for the benefit of students studying at Businet member institutions.

The programme evolved to meet the needs of a wide range of students from any business related curriculum area. The event primarily explores employability skills.

Participating students will have the opportunity to benefit from

- communication in a foreign language
- keynote presentations
- educational input
 - experiencing a multicultural environment
- practical career advice from professionals
 - outstanding networking possibilities
- exploring employability skills

What students say about Unité
