Employability skills

Edinburgh 2009

NORWAY:Wouter de Groot, Katharina Klaiber,
Nicky Leten, Laura Lupi, Luisa Schmitt

Employability is ...

- The ability to answer the needs of an employer as an employee, in terms of skills which are different for each person. These skills are who you are.

Developing skills

- Learning from each other by working in groups
- Feedback in different contexts (verbal/ non verbal)
- Courses
- Being critical about yourself
- Personal assignments
- Internship, studying abroad

Skills developed

- Research
- Creativity
- Writing skills
- Discipline
- Communication skills
- Presentation skills (design, lay out)
- Self - reflection

Skills and abilities identified

- Team work
- Leadership
- ICT skills
- Self-confidence
- Discipline
- Give and receive feedback
- Management skills
- Taking initiative

Skills practiced

- Discipline

→ EX: finishing in time

- Taking initiative

→ EX: - step up to people
 - organising a brain storming session

Skills needed

We are searching for a reliable event manager who is punctual, can work well in team and isn't afraid to lead a team. We are also looking for someone who can create an innovative event for us. You have to be well organised and communicative to bring this event to a good end. Have I just described you? Contact us at ...

Feedback

- Not so clear
- Difficult to read
- Name?
- Awesome!
- Good arguments

reflection

- We accept the feedback and will think about it. The next time we will try to write more clearly and to bring a better structure in our text. However we thought that content was more important than the layout of these assignments.
