JOIN OUR VIRTUAL INTERNATIONAL CONVERSATION TABLES

A safe, friendly, casual place to practise a foreign
language and meet new people.

01 MAKING NEW FRIENDS

*Meeting new friends who
speak another language is even
harder — so let's make it easier.*

How about getting together, getting to know some new people, and getting
better at your foreign languages?

Join our Virtual International Conversation Tables. Not a classic language
class, but a lively chat with your peers.

We offer you a safe, friendly, and casual place to practise a foreign language
and to meet new people. And maybe, one day, you will be able to meet in
real life.

02 HOW?

Imagine a virtual table with a few other students. We will give you
icebreakers and topics for each session to keep the conversation going —
but you'll have to bring your own drinks and snacks.
