Utopia – the business of politics

Dale Lyon, Director- ExpLearn

Storyline

You have the opportunity to create a new world order in which your political party will create the perfect world in which you and your future residents will be able to live in harmony and for the common good

Within your party you must look to decide upon a Party Leader and then a Cabinet. Your cabinet must include a Chancellor of the Exchequer; Minister for Education; Minister for the Aged; Minister for Security; Minister for Foreign Affairs

Your Tasks:

Create a Party name that emulates your political ideals

Create a Party manifesto, outlining your 5 key Party policies

Create a Party Political Broadcast lasting no more than 2 minutes

Canvas support for your Political Party.

Speak with a minimum of 10 people in Edinburgh and report back on their views of your policies (3 x 18-25yrs old; 3 x 25-60yrs old; 3 x 60+; 1 any age group)

Party Leader to be briefed by Ministers before taking part in a live debate with other parties
